A Master Shipwright also owning Rock Channel Marine in Rye for over 14 years. I also sing with Rye Bay Crew entertaining people locally.

"I am delighted to be able to use my craft skills in wood and metalwork, mechanics and engineering, to help repair and restore facilities in the town.

I will use my knowledge of the port of Rye and my maritime experience to help the town.

I am keen to build on the last four years at Rye Town Council and continue to help the people and businesses of Rye."

RYE TOWN COUNCIL
LOCAL ELECTIONS ~ 2nd MAY 2019

YOU HAVE 16 VOTES FOR YOUR TOWN COUNCILLORS

Your independent candidate for Rye Town Council

Andi
RIVETT

I was thrilled to have been elected to Rye Town Council in May 2015 and would be grateful for your support to stand again. Since being elected, I have been involved in a number of activities:

- Chairman of the Rye Festival of the Sea. Working with a team of great local people, we bought the raft race back to the town in 2017 and 2018. We are looking forward to putting on another fun day in September 2019.

- Stewarding for the Rye Christmas Festival in 2016 and 2017 and helping with the Christmas lights.
- Supporting Rye Bonfire Society with their auction of promises.
- Town Council representative for HORAC (Harbour of Rye Advisory Committee), sharing information and best practice about the port of Rye and all things that affect our maritime interests.
- Town Council representative for Rye Harbour Nature Reserve. Again, sharing information on this great resource and working with the team to support the work and education that goes on in the reserve.
- Repairing town council benches so that passers by can take a moment to rest.

- Working with Rye College to bring a group of young people to the town hall to learn about public speaking and presentation.
- Honoured to take over responsibility for maintaining the Bells in St Mary's Church tower.
- Helping to make repairs to the skate park so that young people can use and enjoy this facility.
- Assisting with the Ferry Road Nursery Duck Race, building outside play apparatus and supporting the big fundraising event for the new nursery.
