Jonathan has lived in Guestling with his wife Elaine for the past 11 years and has lived in the Hastings and Rye area for 35 years. Jonathan is a Retired Nurse and worked at the Conquest Hospital for 28 years. As Secretary of UNISON Hastings & Eastbourne Healthcare Branch, he has supported staff and campaigned to protect the NHS services locally. Jonathan says "I am committed to protect the public services for our community. Only with a strong Labour voice at Rother District Council and Peter Chowney as our MP, will the crucial services we require be maintained and improved."

Traffic and Car Parking Needs an Overhaul!

Cheryl & Jonathan have been on the doorstep in Rye & Winchelsea, finding out the concerns of residents. We have found that both of the historic towns of Rye & Winchelsea are being blighted due to the unfortunate result of Tories' cuts to our policing. Rye has a serious problem with irresponsible parking and Winchelsea suffers with motorists using the town as a shortcut on the A259. Whilst Rother District Council proceeds with Civil Parking Enforcement (CPE) we need to consider the wider community due to displacement and to work with the community for traffic calming in both Winchelsea and Rye.

Labour's Rye Town Councillor, Cheryl Creaser says "We are working towards the best solution possible for our communities." Jonathan Lee says "Rat-runs through our towns and villages are a major concern and I pledge to campaign for safer roads in Rother."

Our Pledges To You

FIGHT TO PROTECT PUBLIC SERVICES

By campaigning for better funding from Central Government so that vital services are protected.

MAKE A FAIRER ROTHER DISTRICT COUNCIL

By introducing a 100% Council Tax Reduction for the poorest Rother residents.

IMPROVE DEMOCRACY & ACCOUNTABILITY

By giving you a voice at Rother District Council so that Rye & Winchelsea Ward is not forgotten.

TACKLE THE HOUSING CRISIS

By securing more genuinely affordable housing and tackle homelessness.

PROTECT OUR HERITAGE & ENVIRONMENT

By giving support to tourism whilst protecting the cultural heritage of Rye & Winchelsea.

HOW LABOUR CAN TRANSFORM ROTHER

Labour knows that rural communities need a first class bus service. We will enable councils to provide services by extending the

powers to regulate local bus services and will support the creation of municipal bus companies that are publicly run for passengers not profit.

Labour will support the development of sustainable affordable housing to rent and buy. So that the families of

Rye & Winchelsea are not forced out of the area. Labour will suspend the right-to-buy policy to protect affordable homes for local people.

Labour will campaign to support all measures to reduce the effect of climate change. Four million

homes will be insulated as a priority, to help those who suffer in cold homes each winter. This will cut emissions, improve health and reduce fuel poverty.
